

Boosterthon Fun Run 2011

A Nationally Recognized Blue Ribbon School

On behalf of the SJV PTO, we would like to thank all the students, faculty, staff, and families that supported the Boosterthon! The impact from this adventure on our students is long lasting.

We would also like to thank the Boosterthon Team in helping SJV raise needed funds for education, while inspiring students to live character-filled lives. The Boosterthon Team Members are true Christian examples of young men that we are proud to have our students look up to.

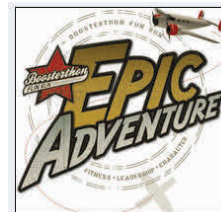

This years character theme, EPIC Adventure, taught our students how to work together in teams through the adventure actions:

Encourage, **P**lay, **I**nvide and **C**elebrate.

Through this experience, our students learned teamwork principles that we want all of our children to understand and make applicable in their lives. Each day they were taught valuable character lessons that have, and will continue to inspire us all.

We are happy to report that together we raised \$37,846.88 from the 2011 Boosterthon Fun Run.

Thank you.
Melissa Quinn, PTO President
